Name of current Board (or Commission): Senior Citizens Commission

Please complete the following:

How long have you served on this Board or Commission?

About 6 years

Why do you wish to be considered for reappointment by the Mayor and Council?

I have found it to be a rewarding experience to assist the city in addressing senior citizen issues, learning about the functions of city government and contributing to the many activities of the senior center. As the representative of the city to the United Seniors of Maryland, I have been able to address issues of interest to senior citizens at the state level also. None of the other commissioners have been able or interested in attending the monthly meetings in Annapolis. I plan to continue this activity to keep the senior commission informed and involved in issues that affect us through legislation as an advocate for senior citizens.

What other information should be considered for your reappointment? (Examples: Ways in which you have personally contributed to the work of the Board or Commission; leadership roles you have held on behalf of the work of the group such as chair, head of a committee or task force)

I have been the chair of this commission for about 4 years and have led the commission in developing and implementing the Rockville Senior Citizens Aging in Place Program. Have made several presentations on behalf of the commission and seniors at Council meetings.
